MEMORANDUM FOR: Deputy Director for Administration

FROM: R. E. Hineman
Deputy Director for Science and Technology

SUBJECT: DS&T Nominee for the Officer-in-Residence
Program at Colleges and Universities

REFERENCE: DDA Memo, dtd 11 Oct 85, Same Subject

1. The Directorate of Science and Technology is interested in establishing a one- to two-year sabbatical for one or two of its officers at the Rochester Institute of Technology (RIT) beginning late summer 1986.

2. [] Director of Training and Education, supports this initiative and suggests that we place our proposal under the Agency's Officer-in-Residence Program at Colleges and Universities. This Program, as you know, was announced in a memorandum from the DDA last October. Six universities were listed as participants, and I would like to add RIT to that list and maintain it under DS&T sponsorship.

STAT

3. The Directorate has selected [] a Systems Design Manager at NPIC, for the sabbatical at RIT. [] is currently involved in the NPIC upgrade effort, where he manages the development of system and interface specifications and conducts system readiness reviews.

4. We look forward to this relationship with RIT and would welcome any suggestions or ideas you may have on formalizing this request.
